### [fl-pda.org](http://fl-pda.org)

The Elementary K-6 Content Review Course, funded by the Bureau of Exceptional Student Education, is designed to help educators review their knowledge in the areas of Mathematics, Social Science, Language Arts/Reading and Science as required in the Elementary K-6 certification exam.

### Target Audience

- ESE certified educators teaching basic education courses to students with disabilities in grades K-6, who need to obtain Elementary K-6 Certification to comply with requirements.
- Elementary certified general educators teaching basic education courses in grades K-6, who need to obtain Elementary K-6 Certification to comply with requirements.
- Elementary K-6 administrators seeking a resource to share when discussing content competencies required by new teachers teaching core content to all students in grades K-6.

### Course Features

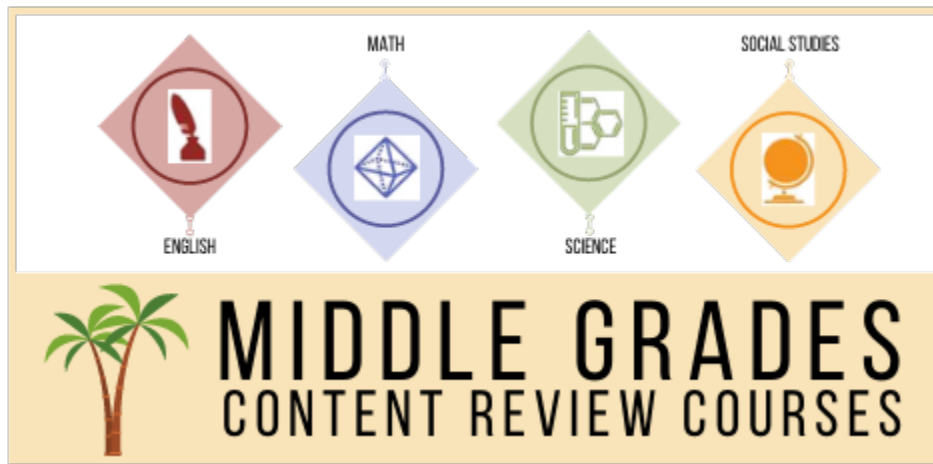

- Self-paced
- Comprehensive
- User-friendly
- Free of charge to Florida educators

While the content covered in this review course is extensive, it does not replace the need for an appropriate, comprehensive study of each subject. Completion of this course do not guarantee a passing score on the certification exam. Instructional support and in-service credit are not available with this course. ## **Middle Grades Content Review Courses**

### **[fl-pda.org](http://fl-pda.org)**

The Middle Grades Content Review Courses, funded by the Bureau of Exceptional Student Education, are designed to help educators review their knowledge in core content areas outlined in the teacher competencies required in the following Florida subject area examinations: Middle Grades English, Math, Science and Social Studies. Course content is aligned with these competencies while promoting educator skill development to support implementation of the Florida Standards.

### **Target Audience**

- ESE certified educators teaching basic education courses to students with disabilities in the middle grades who need to obtain certification in one or more of the four middle grades core content areas.
- Middle grades general educators who need to obtain certification in one or more of the four middle grades core content areas.

### **Course Features**

- Self-paced
- Comprehensive
- User-friendly
- Free of charge to Florida educators

While the content covered in each review course is extensive, it does not replace the need for a comprehensive study of each subject including appropriate pedagogy. Completion of these courses does not guarantee a passing score on the selected subject area certification exam. Instructional support and in-service credit are not available with these courses.
